## Thank You!

Every day I'm reminded that it takes a family to make Hope 106.3 a reality for our community. Whether it's a contact through a phone call, a text, facebook or in person, I am reminded to gratefully pray, thanking God for each and every family and their part in God's work at Hope 106.3. Here are some comments from our family that you have blessed:

*Jane: I just want to thank you for the radio station. My husband and I started listening maybe around 1996. We have enjoyed the programming so much over the years. The teachings are helpful and enjoyable. The worship music helps us draw near to God. Bless you and thank you for doing what you do.*

*Brittany: I feel like family. I get great music and programming, but what sets the station apart is the community. I've been to Christmas parties and get togethers. I feel so accepted and appreciated as a listener and a fellow follower of Christ. And I enjoy how real the radio personalities are.*

*Fitz: Wonderful Bible teachings: "2 minutes with Tony", "The Urban Alternative", "Chuck Swindoll's teaching", "Charles Stanley's teaching" and the list goes on.*

So, as Sharathon is just days away, February 16, 17, and 18, let me remind you how important each of you are. Now is the time to join together to **Activate Hope!** Thank you for praying and giving generously.

I'm blessed beyond measure in many ways and one of those is WCIF Hope 106.3! Thank you for making a difference!  
Martha Root, General Manager

## Listener Spotlight

We recently had an opportunity to speak with listener, Nancy Platt, who talked about her experience with the station.

Nancy has been an avid listener since 1989. When asked about what she likes most about Hope 106.3, she said she loves the

music, and loves several of the teachers, including Chuck Swindoll, Chip Ingram, and Dr. Tony Evans.

She also loves hearing Martha and Cliff doing the history questions, "I've learned so much!" she said.

Nancy says she would recommend the station to a friend because of the uplifting good news and hope that it brings. Her favorite song currently is *You Say* sung by Lauren Daigle.

She further adds she couldn't live without listening to Hope 106.3 each and every day. She says she is blessed to have the station here in Melbourne, and loves bringing brownies to Sharathon each year.

### Activate Hope

#### Sharathon 2021

**February 16, 17, and 18**

As you have probably heard, we are just days away from Sharathon 2021. Sharathon is our one and only annual fund-raising event. This is how we keep the expenses paid and the radio station on the air. Sharathon is much more than a fund-raising event, it's also a friend raising event.

You might be asking yourself, "What does that mean?" We are always picking up new listeners, people just flipping through the radio dial and coming across our station. This is great! We want to give everyone, each listener, an opportunity to get involved on the front lines.

Whether you've been listening for 2 weeks or 22 years, we need your prayers and your financial support to keep Hope on the air. Throughout the years we come to know you and your family through letters, e-mails, prayer requests, and public events. Your support is vital and we ask that you will hop on board and become part of our family. To give securely online, you can go to our website [www.WCIF.com](http://www.WCIF.com) or call us at 321-725-9243. Thanks for listening to Hope 106.3!
