Prayer in the New Year!

One of our friends of Hope 106.3 came by to drop off a wheelchair for Joni and Friends Wheels for the World. As they were leaving they asked what we needed most and offered help. My first response was please pray for us. God's direction and wisdom for our outreach at Hope 106.3 and for our listening family to focus on God's direction in their lives. You'll see prayer requests in each of our newsletters. Can we count on you to pray for/with us? *The effective, fervent prayer of a righteous man avails much.* James 5:16.

Yes, many working together with financial support for Hope 106.3 makes it possible to share Hope with our community. Prayer support is the basis in what we do at Hope 106.3! Will you join in praying for Hope 106.3? May our listeners hearts be drawn closer to God. May more people listen to Hope 106.3 and join the family.

Pray with us that whatever we are facing it will cause us to see God more clearly. *But he who does the truth comes to the light, that his deeds may be clearly seen, that they have been done in God.* John 3:21

We will base our action on God revealed wisdom of what is important. *If any of you lacks wisdom, let him ask of God, who gives to all liberally and without reproach, and it will be given to him.* James 1:5

That we will know the depth of the love of God. *But God, who is rich in mercy, because of His great love with which He loved us . . . made us alive together with Christ (by grace you have been saved.* Ephesians 2.

We will our ways we will focus on following God's direction. *There are many plans in a man's hearts, Nevertheless the Lord's counsel—that will stand.* Proverbs 19:21.

Thank you for praying.

Listener Spotlight

A very willing volunteer **Mike Soyka** says that Casting Crowns "Who Am I" is his favorite song. He enjoys knowing the Hope 106.3 staff. Mike has recommended the station to others! Thanks Mike!

Here's a picture of our volunteers at work. If you look closely you can see Mike a little right of the middle. We miss so much being able to have volunteers meet to mail our newsletter.

Activate Hope!

I know it's hard to believe but 2021 is here. What will the year bring? I think a lot of that depends on us. No doubt there will be things that are not in our control but activating hope through WCIF is something that we can be intentional about.

The WCIF annual Sharathon is coming February 16th-18th. We take three days each year to ask you to make an investment in this radio ministry. Last year, more people searched for hope than we have seen in a long time. The good news, WCIF was already providing hope and encouragement with each song we played and the programs we aired.

Would you pray about helping your station activate hope along the Space Coast in 2021? People need to hear about Jesus more than ever before. Many give a dollar a day. That can be given at \$30 a month or a single gift of \$365. Maybe you would consider becoming a Day Sponsor, that's \$92 a month or a single gift of \$1100. No doubt some will do more and others less, all we ask is you make your best gift to keep WCIF on the air in 2021.

Happy New Year, Bill Scott
